

Books and Brownies

Dear Families,

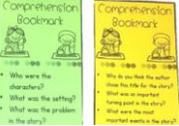

In this bag, you will find books that match your child's reading level. I also included some cool reading tools to keep your child interested in reading all summer long! As if that all wasn't fun enough, there are brownies included too! It's always nice to have a yummy snack whenever you sit down with a good book! Below are brief descriptions of the reading tools contained in this bag, as well as links to videos explaining how to use the tools at home with your child.

I will post this flyer on Bloomz and on my website (<https://mrsleeskindergarden.weebly.com>) so you can easily access the video links. If there is anything I can do to help your child with his/her reading this summer, don't hesitate to reach out to me through the Bloomz app. I hope everyone has a relaxing, safe, healthy, and, of course, FUN summer!

Happy Reading!

 <p>Glow-in-the-Dark Witch's Finger</p>	<p>Slip this fun witch's finger over your pointer/index finger and point to each word as you read your books.  <p>Finger Lights</p>	<p>Slide a finger light onto your pointer/index finger and shine a light on your reading! Point the light at each word as you read. It makes reading fun and you can also use this finger light to read in the dark...which is a lot of fun too!!</p> <p>Video Link: https://www.loom.com/share/cfe5d8ba0ea7458898aff88e04312804</p>
 <p>Highlighting Strips</p>	<p>Use these highlighting strips to highlight one line of text at a time. As the students read more difficult books, you will notice that there is more lines of text on a page. This tool will help them to focus on one line of text at a time and make sure they read every line.</p> <p>Video Link: https://www.loom.com/share/cfe5d8ba0ea7458898aff88e04312804</p>
